

**Welcome to the Mwalimu Nyerere Memorial Academy for the new
Academic year of 2022/2023**

Dear Students,

The Academy manages student's accommodation facilities though rooms are limited and are available in the Halls of Residency through application for continuous students and **after registration for the first year students**. Accommodation is for Certificates, Diploma and Degree programmes, however **first priority** is given to first year students.

Rental payment is within 14 days from the date the Academy opens (18th and 24th October, 2022) and it is prior to the payment of **tuition fee**.

Just to let you know, halls of residency are not designed for cooking purposes as there are no kitchenettes and **cooking is strictly not allowed**. Likewise the halls of residence have a wide range of support services, such as shops, hair salon, sports grounds and health care services/facilities etc.

We are here to make sure that you feel welcome and assist you with your wellbeing during your stay at the Academy.

We are pleased to learn that you have interest with MNMA, as choosing where to study is a bewildering experience. The Mwalimu Nyerere Memorial Academy offers first class - education with personal enrichment and creational activities that will be yours to get involved in.

Kindly find the **room allocation list** on the coming pages for your attention and implementation.

You are welcome!

Ms. Ukende J. Mkumbo
DEAN OF STUDENTS.
