

THE MWALIMU NYERERE MEMORIAL ACADEMY

DIRECTORATE OF STUDENTS' SERVICES

Dear Students,

Welcome to the Mwalimu Nyerere Memorial Academy for the new academic year 2023/2024

The Academy manages student's accommodation facilities though rooms are limited and are available in the Halls of Residency through application for continuing students and **after registration for the first year students**. Accommodation is for Certificates, Diploma and Degree programmes, however **first priority** is given to first year students and students with Special Needs.

Rental payment is within 14 days from the date the Academy opens (16th and 23rd October, 2023) and it is prior to the payment of **tuition fee**.

Just to let you know, halls of residency are not designed for cooking purposes as there are no kitchenettes, so **cooking is strictly not allowed**. Likewise the halls of residence have a wide range of support services, such as shops, Cafeteria, Internet Cafes, sports grounds and health care services/facilities etc.

We are here to make sure that you feel welcome and assist you with your wellbeing during your stay at the Academy.

We are pleased to learn that you have interest with Academy, as choosing where to study is a bewildering experience. The Mwalimu Nyerere Memorial Academy offers first class - education with personal enrichment and creational activities that will be yours to get involved in.

Continuing students kindly find the **room allocation list** on the coming pages for your attention and implementation. **First years students** will be allocated rooms effectively during or after being registered.

You are welcome!

Ms. Ukende J. Mkumbo
