

MWALIMU NYERERE MEMORIAL ACADEMY
DIRECRORATE OF STUDENTS' SERVICES
ROOM ALLOCATIONS FOR 2024/2025

Dear Students,

Welcome to the Mwalimu Nyerere Memorial Academy for the new
Academic year of 2024/2025

The Academy manages student's accommodation facilities though rooms are limited and are available in the Halls of Residency through application for continuous students and **after registration for the first year students**. Accommodation is for Certificates, Diploma and Degree programmes, however **first priority** is given to first year students.

Rental payment is within 14 days from the date the Academy opens (i.e 15th and 21st October, 2024 respectively) and it is prior to the payment of **tuition fee and registration**.

Just to let you know, halls of residency are not designed for cooking purposes as there are no kitchenettes and **cooking is strictly not allowed**. Likewise the halls of residence have a wide range of support services, such as shops, sports grounds and health care services/facilities etc.

We are here to make sure that you feel welcome and assist you with your wellbeing during your stay at the Academy.

The Mwalimu Nyerere Memorial Academy offers first class education with personal enrichment and creational activities that will be yours to get involved in.

Hereunder, kindly find the **room allocation list** for continuing students on the coming pages for your attention and implementation. First year students will be allocated rooms prior to their arrival and registration.

You all are welcome!
