

THE MWALIMU NYERERE MEMORIAL ACADEMY

TEMPORARY CLOSURE

In the implementation of the Government directives aimed at preventing the spread of the Corona Virus (COVID-19) disease, **all student academic activities** at the Mwalimu Nyerere Memorial Academy and its Campuses have been temporarily suspended and the Academy closed with effect from today 18th March 2020 until further notice.

In view of the above, all students, of all academic programmes, who are on any campus of the Academy are required to leave and go home with immediate effect and no later than Friday 20th March 2020, and shall remain there until when the Academy reopens.

All other activities of the Academy will continue as normal while observing the Government and Academy's directives regarding the control of the spread of the corona virus.
